**ITEM 10:** Discussion of any matters arising from the 2020 Claret Jug Competition. **Obviously there were no discussions only observations.** The Claret Jug proved to be a resounding success with a donation being made to Wales Air Ambulance of the £4,000 raised from the event. The W.A.A. have said how grateful they are to have received such a large sum of money when they didn't think that the competition would be able to go ahead. They have said that it has been the largest donation from any society this year when at least five of their charity shops had been closed owing to the Covid-19 situation. They have sent the secretary a certificate & 2 letters of thanks in respect of the donation. Will you kindly place them on your Senior Notice Board for All to see. (Thank You). Should the restrictions be still on in 2021 we could possibly hold the Claret Jug Competition on its own again.
